

## FFA Judging Field Day Booneville

The annual **FFA Judging Field Day** was held in Booneville in February and was coordinated by the area NRCS offices. FCS Western Arkansas sponsored the meal and the Russellville, Ozark, Paris and Van Buren offices prepared hamburgers for the 1,000 youth that participated in this year's judging competition.

Competitors are members of their respective high school FFA judging teams and schools from the entire western half of Arkansas attend this event.

**Andrea Leding** (Van Buren) and **Wilson Overbey** (Central Office) grill more than 1,000 hamburgers for the event. Thanks to Andrea's close supervision, all is a success!

**Tom White** (Ozark) and **Perry McCourt** (RVP Region 2) never miss an opportunity to discuss the advantages of FCS financing with an event participant!

Participants from all over western Arkansas left with full stomachs and warm feelings about FCS Western Arkansas!

## Tri-County Bermudagrass Production Meeting

FCS and the U of A Division of Agriculture sponsored the Tri-County Bermudagrass Production Meeting in Paris, AR in early March. 31 area cattlemen and hay producers from the Franklin, Johnson and Logan county areas attended. **Jennifer Aday**, LO for the Johnson county area, was introduced and represented FCS Western AR.

FCS sponsored the meal, as well!
