

**Good Referrals Get Rewarded!**

Our recent Customer Satisfaction Survey has confirmed that our BEST advertising comes from our satisfied members telling their family and friends about their positive experiences with Farm Credit!

We're capitalizing on this word-of-mouth success by rewarding our members for good referrals! It's easy~.members earn cash and prizes for every referral that results in a loan this year. In fact, in addition to the cash and prizes every member receives for referring a new member that closes a loan, they also earn a chance to win \$1,000 or \$5,000! That's right, we're awarding a \$1,000 prize in each of four regions across western Arkansas as well as a \$5,000 GRAND PRIZE!

Members can make as many referrals as they like. Each time a referral results in a new loan, that member earns cash or a prize, and their name goes in the drawing again!
